

To Drummond-North Elmsley Residents:

The Township of Drummond-North Elmsley has decided to eliminate financial support directed to the Smiths Falls Public Library for 2018. This means that any Drummond-North Elmsley resident (unless they are also a taxpayer in the Town of Smiths Falls or the Township of Montague) wishing to have a library card to borrow materials or access digital resources will have to pay our non-resident fee of \$55 per year. You are able to obtain free library service at the Perth & District Public Library.

Drummond-North Elmsley residents are still able to use the Smiths Falls Public Library free of charge to access our computers, Wi-Fi, programming and in-library resources. Over the years, we have developed strong personal relationships with many residents of Drummond-North Elmsley and have enjoyed serving them. We hope to continue to do so in the future.
