2022 was undoubtedly an eventful year! While there were plenty of challenges, there were also many accomplishments including:

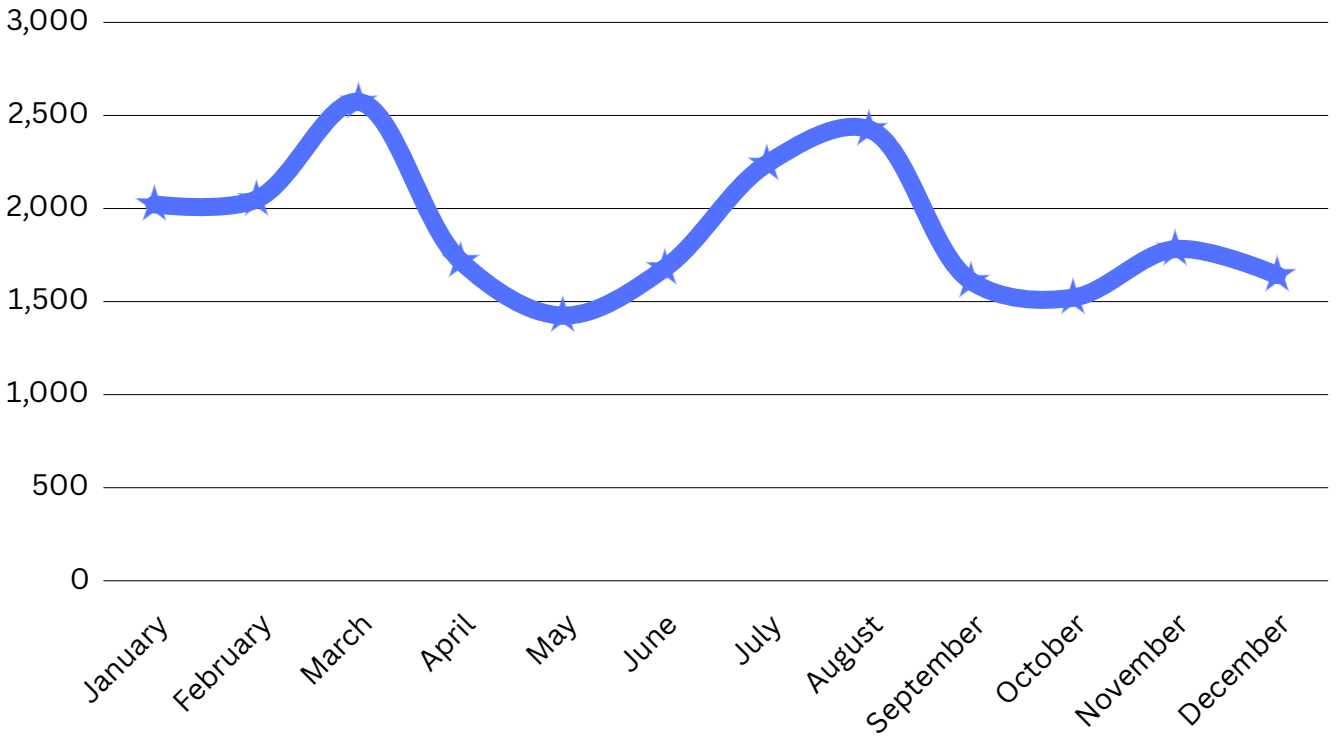

- Implementing new library hours to better fit the usage patterns of the community
- 3 new databases were added: hoopla!, Mango Languages, and PebbleGo
- Becoming a fine-free library
- Upgrading wi-fi
- Offering significant in-person programming including the very well-attended Wizardly Extravaganza!, Pokemon Day, and escape rooms.
- Significant refreshing of the physical collection

At the end of 2022, we had 1,427 active cardholders compared to 1,194 active cardholders at the end of 2021!

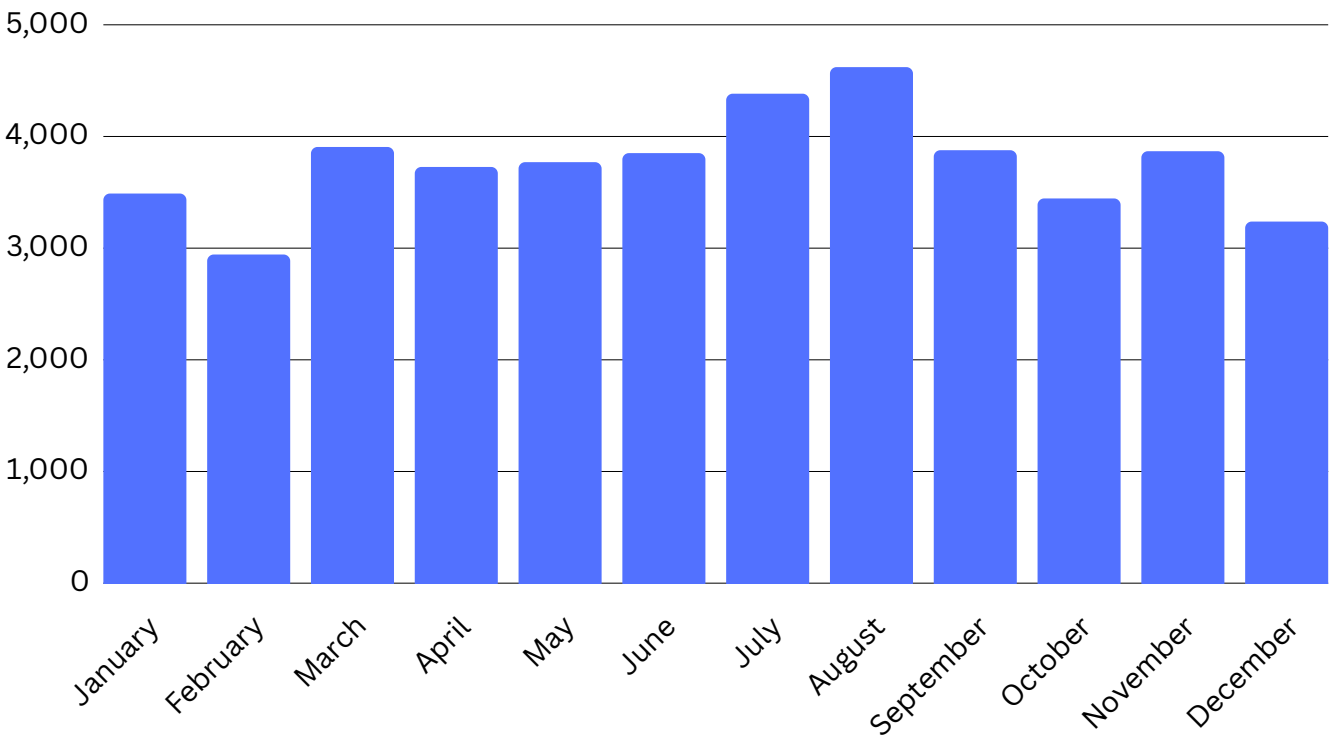

In 2022, we offered 248 programs that were attended by 1,979 people.
