

## SFPL Library Tote design contest

Entries are due by 5:00 p.m. October 25<sup>th</sup> 2025.

The Smiths Falls Public Library is looking for an artistic rendering of our building that will go on our library tote bags. Our town and the surrounding communities are full of very talented artists, and we would love to showcase that talent. We will be displaying all entries in the library for patrons to admire and vote for which artwork they like best. The winning design will be the one used on our new tote bag. Competition is open to any age!

The winning design will be announced in early November.

### **Design criteria:**

- The design must be 12.5cm x 12.5cm (7x7 in)
- Designs are to be in Black and white, with up to ONE colour.
- Designs must be the original creation of the artist in traditional 2D mediums (Ink, Water colour, acrylic, gouache, etc.)
- Designs must be hand created. We will not be accepting any photography or digital art renderings as we are looking for a unique depiction of the building.
